MAJOR DEVELOPMENTS IN DISHA SCHEME

- Capacity building of parents under the scheme elevated them to next level of forming parents group (Caretakers Association) which helps them to do lots of developments in terms of getting their honorarium by City Corporation Ilkal.
- **30** Parents are in role of caregiver receiving their honorarium Rs. 3000 per month. This has done by capacity building program under Disha scheme aided by The National Trust.
- Parents are engaging in Local Level Project Committee and contributing their knowledge and time to effective implementation of Disha scheme.
- Attendance of children every day become better & stable. And LLPC members together involving in decision making for sustainability of the RO.

3. Shishupaalan Kendra-Day Cares for Children's

Shishupaalan is a scheme introduced by the department of Women & Child Development Karnataka State. The said scheme is implement by non profit organizations like us by grant in aid support from the concern department. The scheme aims to provide nutrition support for holistic development of children of working parents age 6 months to 6 years with day care support.

Our Solutions

- Includes day care and respite facility.
- Providing preschool education.
- Provide nutrition food for children for proper physical development at their early stage.
- Monitor their physical and cognitive development and create such environment.
- Ensure periodic health check ups with timely vaccination.

Impact

Since 2022-23, We have facilitated preschool education, nutrition and health check ups for 42 children with day care facility.

4. Cross Disability Pre-Schools and Early Intervention with option for Community-Based and Home Based Rehabilitation Project

Ashadeepa implementing one of the major and much focused project called Cross Disability Pre-Schools and Early Intervention with option for community-based rehabilitation Project where PwDs beneficiaries facilitated early intervention, support their families for offering trans-disciplinary individualized family centred services and create opportunities of full-participation of children with disabilities and their families.

Our Solutions

- Therapeutic with linkage for nutrition support regionally at district place.
- Ensure rehabilitative community based intervention & support.

Impact

In 2022-23, **25** CwDs fulfilled their social needs and enriched by early stage intervention by need based therapeutic for optimal development.

5. Punit-A School for Hope of Children with Intellectual Disability

Bagalkot district stands 3rd highest population of PwDs in Karnataka and number of children suffering with intellectual disability is crucial, vulnerable in most important aspect of Education, so Ashadeepa aspired to establish a special school for such children since 2015, now the dreams comes in effects and offering special education to such children with all necessary actions in terms of infrastructure & appointing teachers those are completed their special D.Ed and B.Ed from recognized institutions.

Our Solutions

- Ensuring special education with facilitating infrastructure, library, recreation with food & residential (Hostel) facilities separately for boys and girls.
- Facilitates each individuals with learning focus for their development as mainstream effort.

Impact

Since 2022, **36** special needs children are providing special education as per the guidelines of Government of Karnataka. The improvisations in all aspects are made as per the government norms and conditions aligned with departmental norms.

6. Pankh Livelihood Program for Persons with Disabilities

Pankh - Wings of Destiny is an initiative was launched by TRRAIN Mumbai with an aim to train PwDs by providing them with employment opportunities in the retail by the in person classroom training with free food & accommodation facility premises of Ashadeepa organization Ilkal.

Our Solutions

- Enabling employability skills for various levels of job placement
- In person training assist each individuals improved by different skill sets to get better placement.
- Curriculum followed by trainer is one of the top curriculum designed by the field experts, trainers which creates job aspirations among PwDs.
- Each trainee received study materials, bag and uniform for better discipline.

Impact

In 2022-23, **200** Youths with disabilities trained & placed for jobs in retail sector.

7. Chief Minister Kaushalya Karnataka Yojane

Shortly spell it as CMKKY is the flagship scheme for short term vocational skilling to enable employments for students those dropout from school/college education. The scheme intends to develop skills among youths and placed for jobs and scheme has some reservation for SC, ST & OBC candidates to get benefits under scheme.

Our Solutions

- Facilitate & nurture trainees by in person training based.
- Assist each individuals improved by different skill sets to get better placement.
- Trained the trainees about Retail management, Data entry and Business correspondence and Business Facilitator.
- Placement assistance will provide local & external as per the job availability consulting with trainee with career guidance and support.

Impact

In 2022-23, **90** School/College dropout youth trained & placed for jobs in private sector.

8. GarvSe-Rural Livelihood Mission

Enable India is an NGO that works towards economic independence and dignity of people with disability. Ashadeepa partner since 2022 as a nodal GarvSe Center which strengthens the livelihood ecosystem of PwDs through collaborating with stakeholders such as local Government, NGOs, Educational Institutions, Skilling partners, Volunteers, Parents of PwDs, Employers, and any other relevant stakeholders to leverage their expertise and support for providing livelihood opportunities for PwD in the region..

Our Solutions

- Create awareness about GarvSe initiative by conducting Margadarshi workshops and inform to PwDs about facilities & training to get benefits of rural livelihood.
- Forming different committees to reach more number of PwDs consist different stakeholders (Enabler Committee, Influencer Committee) spread and facilitate information across PwDs in their respective places.
- Build networking with district RSETI/RUDSETI as a key facilitator of livelihood trainings for PwDs.
- Linkage interested PwDs for 10 days of residential training where free food & accommodation ensured by RSETI/RUDSETI at district level.
- 80% of placement settlement assistance will provide for trained PwDs with initial support & follow up provision periodically.

Impact

In 2022-23, 96 PwDs facilitated by training EDP (EFC implement by Ashadeepa) in consultation with RSETI Bagalkot and 80% of PwDs supported for becoming entrepreneur. The trained PwDs earning capacity drastically improved and they are contributing their families with earning minimum 5500 to 15000 per month engaging in different interested livelihood business.

9. Santhwana-Women Helpline 1098

To provide counseling and necessary timely help to women who are victims of various atrocities. The intend of the scheme ensuring legal assistance, rape, sexual harassment, domestic violence and dowry harassment, Santhwana Centre's are being implemented through NGOs funded by the Department of Women & Child Development Department monitored by district director officials, Santhwana Centres are functioning 24*7 with a counselor and 3 social workers to provide assistance to women in distress.

Our Solutions

- Create awareness about Santhwana scheme and scope of the scheme and consequences if harassment initiated on women.
- Ensure legal assistance for victims of rape, dowry, sexual harassment & domestic violence.
- Build networking with district officials for scheme sustainability to reach at last beneficiary found with relevant issues.
- Provide counseling and necessary short stay facility for women who in distress by referring neighbor Swadhar Greh.
- Follow up the cases solved successfully part of reintegration.
- Sensitize the various stakeholders in schools, colleges and community level with legal support available for women with issues.

Impact

In 2022-23, **194** women issues solved by legal aid and counseling assistance by Santhwana counselor and social workers successfully. **2309** women issues have solved and reintegration was done successfully since 2011.

10. Navajeevan Old Age Home for Aged Women

New initiative introduced for aged, neglected & distressed women for providing residential care, food & medical aid support in free of cost service. We want women should respect especially in aged years with protection and proper care, so that we ensure them by secured life offering need based service i.e. health, food and shelter amenities. We aspired to create new hopes in aged minds to live their life happy and respectful.

Our Solutions

- Providing free shelter, free food and free medical treatment with proper care with attention towards aged women with protective measures.

Impact

In 2022-23, **25** aged women facilitated by various need based services and initiates proper care with free food and residential care.

FY-2022

2023

SHAPING A NEW LIFE

Baby boy Tejas is a second son of her parents comes from Guduru village Bagalkot district. Tejas was suffering from global delay in development that means living with severe disability in multiple domain and hopes are very less to sustainability/improvisation. But 6 years of intensive physiotherapy support at their door step, child improved tremendously today and child started walking, speaking and playing with other children as transforming towards social behavior improvisation. This is how EI services are significantly impacted over many children since 2016 supported by APD India.

Now, he is going to school and little care and monitoring is required for another few years to strengthen functionally. Ashadeepa spent long term special care on this particular boy to become sustain by his disability providing various mobilities and supported by government schemes for further facilities like Niramaya health insurance, scholarship facility from government.

BROADENING HORIZONS

Mr. Kumar Narayan is an 18 years old champ from Budni, a small village in Bagalkot district, Karnataka. He is a person with Muscular Dystrophy, a rare condition that causes progressive weakness by degenerating the muscles. he is a child of single parent who is into daily wage employment. Kumar managed to complete SSLC but was unable to pursue further due to his disability. This limited him to the four walls of his home where his passion for painting also remained. While everything seemed hopeless with such a severe and progressive condition Ashadeepa came across him. Ashadeepa invites him enrolled Margadarshi workshop and got him enrolled for an EDP training through the GarvSe Center.

Kumar successfully completed the 10 day training which inspired him to start up his own business. Ashadeepa GSC provided him financial support to start up own business of a painting center at his hometown where he provides different type of painting services including vehicle beautification. To broaden his scope of business, he also started to make stickers and clay models. With all the support system, hard work and creativity, Kumar is now able to make up to Rs. 7500/- per month. **He conveyed thanks to EnAble India, Ashadeepa & RSETI Bagalkot**

INDEPENDENCE- FIRST STEP TOWARDS DIGNITY

Mr. Obalesha R aspired me to present you through a small write up about his journey. There is no doubt that one day he become a tax payer by his livelihood leads from prominent Jubilant Food Works Pvt. Ltd Bengaluru. He got selected in his 3rd attempt of interview @ Jubilant Food Manufacturing Company located in Nagawara, Bengaluru with basic salary of Rs. 13800/- where he assured to get Rs. 20000 salary from the company in next 6 months of time with placement promotion.

Do you think still this is not an achievement, yes this is a tremendous and motivational milestone for everybody. We thank to Pankh initiative and TRAAIN Mumbai for their support to create such environment for PwDs. Obalesha hails from Chitradurga just 20 year young boy with speech and hearing disability. His family only source is agriculture and holds barren land without rain no gain. The challenge of financial instability in his family, he moved to Bengaluru for livelihood training. Today, his parents much proud and neighbors said he is a role model for many in his village.

Obalesha expressed his gratitude and sincere thanks to Pankh Livelihood Training & Job Placement supported by TRAAIN Mumbai and facilitated by Ashadeepa Angavikalara Sarva Abhiwruddhi Seva Samsthe.

I CHOOSE NOT TO PLACE 'DIS', IN MY ABILITY

Ms. Sitamma age 36 and suffering from locomotor disability. Sitamma hails from Hassan district Belagol and since many years she neglected by their parents and no one care her. Sitamma helped by shelter and food by many years and stayed at Ashadeepa. When Ashadeepa started facilitating EDP and EFC courses to breaking the barrier of unemployment through EDP/EFC. Ms. Sitamma got an opportunity to undergone EFC training and scaled up her skills and communication, she hold brilliant communication with various stakeholders was found best and Ashadeepa appointed her for tele caller job role as spoke person for Vocational Training and Livelihood Program supported by TRAAIN Mumbai. Now she started earning Rs. 6000 with free food and shelter amenity from Ashadeepa Samsthe. The way EnAble India created hopes for many lives of Disabilities and helping them for her secured life.

She thanks to Ashadeepa, EnAble India & RSETI Bagalkot

GENESIS OF ASHADEEPA

The Problem

Bagalkot district is well known for its rich historical background ruled by the legendary Chalukya dynasty and also popular for silk and handloom industries as its fair side. But today, Bagalkot district recognized as one of the most concerned district in terms of education, health, transportation, and livelihood. The fact of nutrition rate is crucial aspect discussed in parliament of India very recently. Govt. of India released press note and announced people from few districts of Karnataka including Bagalkot (stands in first district) suffering from poor nutrition which needs to focus more on nutrition part connected with mother health prenatal and postnatal period associates with health and hygiene. The implementation of National Nutrition Mission (NNM) renaming of POSHAN Abhiyan-'Prime Minister's Overarching Scheme for Holistic Nutrition nationwide.

Today, the Bagalkot district recognized as 3rd highest population of person with disabilities. As per the census of 2011, 13709 children are affected by developments, where as 29470 adults are person with disability already include men and women. In other side we can also seen problems of women like dowry and domestic issues, and youth remain unemployed due to poor quality of education accessibility and lack of vocational and skill building trainings to enrich youth's for better livelihood linkage.

The Solutions

Ashadeepa Angavikalara Sarva Abhiwruddhi Seva Samsthe is non-profit organization registered under Karnataka State Societies Registration Act-1960 in 2004. The purpose of organization is to empower person with disability, women and children. The organization is building echo-system for PwD's to promote and facilitate environment for children with development delayed for social inclusion, prepare CwDs for school readiness with nutrition and transportation facility, inculcate sign language for hearing impaired through inclusive education for mainstream with normal schools, building skills and placement opportunity for school dropouts & youth with disabilities for jobs, promote wage and self employment by facilitating vocational trainings from RSETI for illiterate PwDs includes men & women, reunite women by resolving her issues by women helpline, & residential care for aged and neglected women.

People with disability, women, children and youth become contributing members of the society & lead life with dignity.
